Please eat a good meal and drink plenty of fluids before donating blood. All donors must show proof of identification. Please pass this information on to a friend if you have given blood in the last eight weeks (16 weeks for double red cell donations).

Connor Joyce's Story

Thanks to the generosity of volunteer blood donors, local boy, Connor, received life sustaining blood transfusions as part of a successful kidney transplant five years ago this month at Rady Children's Hospital. You can make a difference in the lives of children like Connor by donating blood today. The difference in life is you!

Marcus Phares' Story

Marcus founded the San Diego Burn Survivors Foundation after surviving a helicopter crash that left him burned over 85% of his body. Many blood transfusions later, Marcus is giving back!
